II. New user

"Sign up" with this Registration.

You have to do this if you are going to use QuizStar to take any quizzes.

This will let you set up a place to view quizzes for all your classes.

Student Registration

Enter your personal information in the form below. If you forget your password you can contact your instructor to have your password reassigned. *(Please do not enter personally identifiable information for the student's profile. You can enter the First Initial and Last name if you think it is not personally identifiable. Most teachers make up names for their students.)*

Enter your information	
First Name:	Enter your first and last name.
Last Name:	
Username:	Create a unique Username used every time to login to QuizStar
Create Password: *	Use a password that is easy for you to remember but that is secure from other people.
Re-type Password:	

NOTE - your instructors are able to change any of your profile information at any time.

Register   Cancel

Make sure your "Username" is something that you will
remember.

But don't worry. If you forget your user name and password,
your teacher will be able to help you once you have
registered for a class.

Select "Register" after the form is complete.

Student Registration
Enter your personal information in the form below. If you forget your password you can contact your instructor
to have your password reassigned.*(Please do not enter personally identifiable information for the student's profile. You can enter the
First Initial and Last name if you think it is not personally identifiable. Most teachers make up names for their students.)*

III. Registering for a Class

This is the first page you will see after you register.
You will know it is your page because it will show your
first and last name.

This is your "Classes" page. All the classes you are
registered for will be listed here.

This page will be *empty* until you locate and register for
a class. After you register for classes they will be
listed on this page.

Select the "Search" tab to locate and sign up for a class and quiz. Your teacher will let you know how to search for a quiz assigned to your class.

Classes

Classes

The classes you have registered for are listed below. Each class has its quizzes, click on the link to go to the class page to see which quizzes need to be taken or are able to be reviewed. To get more classes, click on the Search button above to search for additional classes to register to. You can not remove these classes once you enroll, your instructor will need to remove you from the class if you are to no longer take its quizzes.

This space will be empty until you register for classes

Use the blue section to search for a class. You can search for up to four classes at a time by teacher's name, keyword, or class title.

Use the green section to search for a particular quiz. You can search for two quizzes at a time by wither teacher name or quiz title.

Select your search using the pull down menu. Type the name, keyword, or title in the empty text field, empty box. Select "search."

Class #2: Class Title ---> ___ --->

Class #3: Class Title ---> ___ --->

Class #4: Class Title ---> ___ --->   Search

For the Class #1 search there were two classes by "ault" in the system.
To choose the classes you want, mark a check by the Class titles and select "Register."

Place a check by the class you want and select "Register."

You can also begin a new search if the list did not have the class you wanted, or you can cancel.

This is your results page.

After you have registered, follow this link to your Classes page.

This shows your status in this class.

These items show information about the class.

Go back to your Classes page.

This page is now full!

The links in this class are not active. The student cannot access the quizzes until the teacher accepts his registration.

Each blue folder will let you know if you need to take, have finished, or missed a quiz. Note that the links are all active.

Each blue field shows you the status of your quizzes in a class. This person has registered for three classes. His registration is complete for two classes and is pending for one class.

IV. Taking a quiz

When you are on *your* Classes page, select a class folder and choose an untaken or started quiz.

Following is an example.

This student can only take a quiz in the class "Intro to QuizStar." The other quizzes are either expired or are unavailable.

Select 1 Untaken Quizzes.

QuizStar

You need to take quizzes listed here.

Intro. to QuizStar's Quizzes

Make a selection from the list of Untaken, Started or Expired Quizzes to **Take** or **Review** a Quiz. If you want further instructions about using this page, go to the Directions at the bottom of this page.

The *orange row* is a list of untaken quizzes.

Select "Take" to go to a specific quiz for a cla

This will take you to a specific quiz.

Read this note and then select "Start Quiz."

Start Quiz Confirmation:

You are about to begin taking a quiz. To proceed with this click the Start Quiz button. If you are not ready to begin the quiz simply click Cancel and you will be taken back to the previous page.

From this page you will be directed to the Quiz Directions page where you will receive directions about the quiz you are to take. If it is a timed quiz, the timing will not start until you click Start Quiz from the Directions page.

[Start Quiz] [Cancel]

This takes you to the instructions

Read these instructions from your teacher. They will be different for each quiz.

Select "Start Quiz."

yourlastname, yourfirstname	Intro. to QuizStar	QuizStar

Creating a Quiz

This is a note from you teacher.

Instructions:
Answer each question to the best of your ability. You will not have the ability to return to previous pages to change answers. At the end of the quiz you will be able to review all of the questions, you will see which questions are unanswered, answered and flagged. If there is a question you are unsure of you can answer it and flag it for later review. The quiz will begin once you hit the Start Quiz button and will not be sent until you hit Submit on the Review Quiz page. Below are specifics about the quiz you are about to take. Good luck.

Directions from the Instructor:

By taking a quiz you will develop an appreciation for what to do and not do when designing a quiz.

Here are specific items about the quiz:
- 6 questions
- Total # of attempts for this quiz is: 3
- Current attempt# 1

Click here to start the quiz [Start Quiz]

Start

Once you get to the quiz start reading and answering the questions.

The answer options may be true/false, multiple choice, multiple answer, or fill in the blank.

The teacher decides how the quiz will appear – as well as the content.

2. How much time do you think you should spend in the creation of an individual question in a quiz?

1 pts.

   A. Less than a minute

   B. Two to five minutes

   C. Ten minutes

   🚩 Flag this question for later review

Choose all that Apply

3. Which of the following media is/are best viewed through this software?

1 pts.

A.

Copyright © 2000 United Feature Syndicate, Inc.
Redistribution in whole or in part prohibited

B.

[Back to Top](#)

V. Viewing your results

At the end of a quiz you will see this bar.

This bar appears at the end of the test. It will take you to a summary

Select "next page" to go to a summary page.

You will be able to review all of your answers at the end of the quiz.   next page

This summary page shows you the status of each question. It lets you know if you answered a question, left it blank, or flagged it for review.

It will also let you go to the question and change your answer.

Once you select "Submit Quiz" you will receive a confirmation page that shows you the date and time of your submission. Then you are done!

From here you can go to your class page or review the quiz.

VI. Help

If you need help at any time select the "help" button.

This provides you with definitions for each of the icons and directions.

VII. Logging-out

If you are finished, don't forget to log out….

This will make sure your answers are saved and that no one can change your information.
